Book 3 in the Salvation Series

The Early Church.

After the disciples were killed, the Romans renamed the Church with a foreign name, Christianity.

For a while, the new Christians conducted Church the way the disciples would have done. But within a couple hundred years, public opinion took over and they changed the Lord's feasts to pagan ones because they liked to party.

Then the church became a monstrosity, filled with corruption and murder. It became an organization only interested in money, power and pleasure.

America's religious system is so far removed from God's commandments and filled with forbidden elements, it isn't clear what God we are trying to worship.

Our Lord's Religion is the only sure way to know we are doing the right thing nowadays.

"Joh 4:22 Ye worship ye know not what: we know what we worship: for salvation is of the Jews"

God is not double dating with Jews and Gentiles.
